HAD SEVERAL notes for items last week's column and didn't realize until I read it Wednesday that they hadn't been written. I put it up to old age, hectic schedule or mama-of-the-bride nerves.

FORMER ALBANY Police Inspector Carl Lindh brought his wife, Billie, and the kids home for a visit. They will be around some time in July, either in Alameda with her folks or in Albany visiting his dad, Charlie. Tomorrow night, Will and Bev Senior are having a party for them. Hope to see them sometime. Can't make the party.

TONY MONTANO of Berkeley is the cousin of Tony Montano of El Cerrito, who is well known around here and is a member of Albany Rotary club. The OTHER Tony is a volunteer at Children's and he stops in every Friday to give me the news he's heard. One that Rotarian Tony is planning to get married. Another is that Joe Zupo's new wife had a heart attack and was hospitalized.

MARGARET ROACH, crossing guard at Jackson and Buchanan for 14 years, was honored at a retirement luncheon last Wednesday at City Hall. They had a cake and smorgasbord and all City Hall informants said almost everyone came to wish her happy retirement.

WE LOST three well-known residents during the past week or so. Mrs. Frank (Hattie) Davis, whose husband served 30 years with Albany Police Department before his retirement, died the day before her birthday. Ed Hansen died suddenly last Tuesday. He and his wife, Margaret, were active in American Legion and auxiliary. He did marvelous lettering on posters. Glenn Finney, Albany resident who recently retired as an agricultural biologist.

Council Votes to Remove Weeds

Turner Submits Budget

City Council unanimously passed Resolution 71-60 Monday night, calling for the removal or burning of noxious and dangerous weeds on city streets, sidewalks, and private property.

City Administrator, James D. Turner has set the public hearing date for July 6, and burning or removal will not begin until July. Although the weeds are beginning to get dry, the situation is not critical at present. Fire Chief Gerald Brown is studying the matter.

In other action the preliminary city budget for the "71-72 fiscal year was submitted by the City Administrator, calling for a 1.7 percent increase over the current budget. "The budget allows for no new program but seeks to maintain the current level of service," Turner said. "The budget recognizes the revenue crisis and aims to hold the line," he added. On the motion of Councilman Richard Clark, council voted 5 to 0 to refer the budget to the budget sessions.

LEGAL NOTICE

ORDINANCE NO. 71-018

AN ORDINANCE OF THE CITY OF ALBANY AMENDING THE ALBANY CITY CODE, 1968, BY ADDING ARTICLE IV TO CHAPTER 25 THEREOF, ESTABLISHING A TELEPHONE, GAS AND ELECTRICITY USERS TAX TO PROVIDE FOR THE USUAL CURRENT EXPENSES OF THE CITY.

THE COUNCIL OF THE CITY OF ALBANY DOES ORDAIN AS FOLLOWS:

Section 1: That the Albany City Code, 1968, is hereby amended by adding Article IV to Chapter 25 thereof, which said Article shall hereafter read as follows:

"CHAPTER 25. TAXATION. "ARTICLE IV. TELEPHONE, GAS AND ELECTRICITY USERS TAX.

"Sec. 25.33. Declaration. The tax imposed pursuant to this Article is levied solely for the purpose of providing revenue for the usual current expenses of the City. The tax imposed by this Article is not for regulatory purposes.

"Sec. 25.36. Definitions. Except where the context otherwise requires, the definitions contained in this Section shall govern the construction of this Article:

"(a) 'Person' shall mean all domestic and foreign corporations, associations, syndicates, joint stock companies, partnerships of every kind, joint ventures, clubs, Massachusetts business or common law trusts, societies, and individuals.

"(b) 'Month' shall mean a calendar month.

"(c) 'Service user' shall mean a person required to pay a tax imposed under the provisions of this Article.

"(d) 'Service supplier' shall mean a person required to collect and remit a tax imposed under the provisions of this Article.

"(e) 'City' shall mean the City of Albany.

"(f) 'Tax Administrator' shall mean the Treasurer of City.

"(g) 'Electrical corporation', 'gas corporation' and 'telephone corporation' shall have the same meanings as defined in Sections 218, 222 and 234 respectively of the Public Utilities Code of the State of California, as said Sections read on January 1, 1971.

"Sec. 25.37. City and Constitutional Exemptions. Nothing in this Article shall be construed as imposing a tax upon any person when imposition of such tax upon that person would be in violation of the Constitution of the United States or California. The Tax Administrator shall prepare a list of the persons exempt from the provisions of this Article by virtue of this Section and furnish a copy thereof to each service supplier.

"Sec. 25.38. Telephone Users Tax.

"(a) There is hereby imposed a tax upon every person in the City, other than a telephone corporation, for the use of intrastate telephone communication services in the City. The tax imposed by this Section shall be at the rate of four and one-half percent (4 1/2%) of the charges made for such services, and shall be paid by the person paying for such services.

"(b) As used in this Section, the term 'charges' shall not include charges for services paid for by inserting coins in coin-operated telephone, except that where such coin-operated telephone service is furnished for a guaranteed amount, the amounts paid under such guarantee plus any fixed monthly or other periodic charge shall be included in the base for computing the amount of tax due; nor shall the words 'telephone communication services' include land mobile services or maritime mobile services as defined in Section 2.1 of Title 47 of the Code of Federal Regulations, as said Section existed on October 1, 1967.

"(c) The tax imposed in this Section shall be collected from the service user by the person providing the intrastate telephone communication services. The amount of tax collected in one month shall be remitted to the City Treasurer on or before the last day of the following month.

"(d) Notwithstanding the provisions of sub-section (a), the tax imposed under this Section shall not be imposed upon any person for using intrastate telephone communication services to the extent that the amounts paid for such services are exempt from or not subject to the tax imposed under Section 4251 of Title 26 of the United States Code, as said Section existed on November 1, 1967.

"Sec. 25.39. Electricity Users Tax.

"(a) There is hereby imposed a tax upon every person in the City, other than an electrical corporation or a gas corporation, using electrical energy in the City. The tax imposed by this Section shall be at the rate of four and one-half percent (4 1/2%) of the charges made for such energy, and shall be paid by the person paying for such energy.

"(b) As used in this Section, the words 'using electrical energy' shall not be construed to mean the use of such energy from a storage battery, provided, however, that the term shall include the receiving of such energy for the purpose of using it in the charging of storage batteries.

"(c) As used in this Section, the words 'using electrical energy' shall not be construed to mean the receiving of such energy by an electrical corporation or a governmental agency at a point within the City for resale.

"(d) The tax imposed in this Section shall be collected from the service user by the person selling such electrical energy. The amount of tax collected in one month shall be remitted to the City Treasurer on or before the last day of the following month.

"Sec. 25.40. Gas Users Tax.

"(a) There is hereby imposed a tax upon every person in the City, other than a gas corporation or an electrical corporation, using gas in the City which is delivered through mains or pipes. The tax imposed by this Section shall be at the rate of four and one-half percent (4 1/2%) of the charges made for such gas, and shall be paid by the person paying for such gas.

"(b) As used in this Section, the word 'charges' shall not include charges made for gas used in the generation of electrical energy by a public utility or governmental agency.

"(c) As used in this Section, the words 'using gas' shall not be construed to mean the receiving of such gas by a gas corporation or governmental agency at a point within the City for resale.

"(d) The tax imposed in this Section shall be collected from the service user by the person selling the gas. The amount collected in one month shall be remitted to the City Treasurer on or before the last day of the following month.

"Sec. 25.41. Actions to Collect. Any tax required to be paid by a service user under the provisions of this Article shall be deemed a debt owed to the City by the person required to collect and remit. Any person owing money to the City under the provisions of this Article shall be liable to an action brought in the name of the City for the recovery of such amount.

"Sec. 25.42. Duty to Collect—

Procedures. The duty to collect and remit the taxes imposed by this Article shall be performed as follows:

"(a) The tax shall be collected insofar as practicable at the same time as and along with the charges made in accordance with regular billing practice of the service supplier. Except in those cases where a service user pays the full amount of said charges but does not pay any portion of a tax imposed by this Article, or where a service user has notified a service supplier that he is refusing to pay a tax imposed by this Article which said service supplier is required to collect, if the amount paid by a service user is less than the full amount of the charge and tax which has accrued for the billing period, a proportionate share of both the charge and the tax shall be deemed to have been paid.

"(b) The duty to collect tax from a service user shall commence with the beginning of the first regular billing period applicable to that person which starts on or after the operative date of this Article. Where a person receives more than one billing one or more being for different periods than another, the duty to collect shall arise separately for each billing period.

"Sec. 25.43. Powers and Duties of Tax Administrator. The Tax Administrator shall have the power and duty, and is hereby authorized to enforce each and all of the provisions of this Article. The Tax Administrator shall have power to adopt rules and regulations not inconsistent with the provisions of this Article for the purpose of carrying out and enforcing the payment, collection and remittance of the taxes herein imposed; and a copy of such rules and regulations shall be on file and available for public examination in the Tax Administrator's office.

"Sec. 25.44. Administrative Agreements. The Tax Administrator may make administrative agreements to vary the strict requirements of this Article so that collection of any tax imposed herein may be made in conformance with the billing procedures of a particular service supplier so long as the over-all result of said agreements results in collection of the tax in conformance with the general purpose and scope of this Article. A copy of each such agreement shall be on file and available for public examination in the Tax Administrator's office.

"Sec. 25.45. Interest and Penalty.

"(a) Taxes collected from a service user which are not remitted to the City Treasurer on or before the due dates provided in this Article are delinquent. Any tax billed to a service user but not paid to the service supplier shall not be deemed an obligation of the service supplier unless such tax is thereafter paid to the service supplier.

"(b) In addition to remitting the amount of the tax, any service supplier who fails to remit any tax imposed by this Article within the time required and upon ten days' written notice to the service supplier of its failure to remit, shall pay a penalty of six

percent (6%) of the amount of the tax.

"Sec. 25.46. Failure of Service User to Pay.

"(a) Whenever the Tax Administrator determines that a service user has deliberately withheld the amount of any tax imposed on him by the provisions of this Article from the amounts remitted to a service supplier required to collect the tax, or that a service user has failed to pay the amount of the tax to such service supplier for a period of four (4) or more billing periods, or whenever the Tax Administrator deems it in the best interest of the City, he shall relieve such service supplier of the obligation to collect taxes due under this Article from certain named service users for specified billing periods. "(b) In addition to the penalties imposed, any service user who fails to pay any tax imposed by this Article shall pay interest at the rate of one-half of one percent per month or fraction thereof on the amount of the tax, exclusive of penalties, from the date on which the payment first became delinquent until paid.

"Sec. 25.47. Assessment.

A notice of the assessment, which shall refer briefly to the amount of the taxes and penalties imposed and the time and place when such assessment is due and payable, shall be submitted to the Council for confirmation or modification. The Tax Administrator shall mail a copy of such notice to the service supplier and to the service user at least ten (10) days prior to the date of the hearing

and shall publish such notice once at least ten (10) days prior to the date of the hearing in the official newspaper of the City. Any interested person having any objections may appear and be heard at the hearing, provided his objection is filed in writing with the Tax Administrator prior to the time set for the hearing.

"(b) At the time fixed for considering said assessment, the Council shall hear the same together with any objection filed as aforesaid and thereupon may confirm or modify said assessment by motion.

"Sec. 25.48. Records. It shall be the duty of every service supplier required to collect and remit to the City any tax imposed by this Article to keep and preserve, for a period of three (3) years, all records as may be necessary to determine the amount of such tax such service supplier may have been required to collect and remit to the City, which records the Tax Administrator shall have the right to inspect at all reasonable times.

"Sec. 25.49. Refunds.

"(c) Refund to Service User. "(d) Proof Required. No refund shall be paid under the provisions of this Section unless the claimant establishes his right thereto by written records showing entitlement thereto.
